Venray 13 July 2005

Every driver who would like to drive at Venray, must be aware of the fact that the following clothing is compulsory from 20 August 2005 onwards.

Driver:

- According FIA 8856 - 2000 or better:

Balaclava, Turtleneck with long sleeves, long pants, socks and Race shoes (The higher ones are better than the lower ones).

- According standard FIA 86:

Gloves, Racing suit (till the end of 2007, from 1st January the minimum standard will be 8856 - 2000).

The racing suit may not be embroidered through and through. The embroidery may only be applied at the outer layer.

Mechanic:

Every mechanic, if being on the race track before or after a race, must wear an overall.

Team:

Every team must have a fire extinguisher with a minimum of 5 kg, which has to be near the car, when standing in the pits.
